

Paradise Intermediate School- Home of the Eagles

Welcome to Paradise Intermediate School. The entire staff joins me in wishing you a successful and productive school year. Every person contributes to making Paradise Intermediate a great school and we encourage you to become involved in school activities, organizations, and clubs to feel real ownership of your school.

At Paradise Intermediate we are committed to creating an environment focused on providing opportunities for academic and personal success. Each student has the right to learn in a safe and supportive environment. **This parent-student handbook has been developed to communicate valuable information and opportunities to support student success at Paradise Intermediate.**

Students receive these planners on the first day of school. Please take the time to review the handbook in its entirety.

The planner is a wonderful tool for students to use to record nightly homework assignments and long-term projects. The planner is also helpful for parents to use and review each day with their children to ensure that assignments are being recorded and completed.

Your success as a student depends to a great degree on your desire to set high standards for your academic performance and personal conduct. You can help your classmates achieve high levels of performance as well by holding each other to high levels of accountability. We know you are capable of meeting our high expectations of you, and you can expect great things from **our (your)** teachers, staff, and administrators. We look forward to meeting you and working with your family this year. Ms. Capen and I look forward to helping you with your concerns, questions, and **celebrating your successes.**

GUIDING PRINCIPLES

The staff and faculty at Paradise Intermediate believe that our work is dedicated to developing students who are socially conscience, have personal skills, and have a strong academic foundation.

SCHOOL HOURS

The school day begins at 8:30 and ends at 2:46. The cafeteria is open and supervised starting at 7:30 AM. Students arriving before 8:15 are expected to wait in the cafeteria or attend a supervised homework club classroom. *Bell schedules will be provided to students and families during our Registration Arena, at the main office, and posted on our web site:*
<http://www.paradiseintermediate.pusdk12.org/>

OFFICE PROCEDURES

Entering the Office and Telephone Access

Students must receive permission before entering the main office. The office phone is available to students with permission from office staff. Use of the office phone is reserved for school business or emergencies. We respectfully request that after-school arrangements be made prior to coming to school.

How to Handle an Absence

When a student is absent, **parents must call the school and/or send a signed note within 3 school days** and relate the reason for the absence to the attendance clerk. Our automated calling system will notify you in the event your student is absent from one or more classes. You may call the school at 872-6465 and leave a message explaining the absence.

The Five Excused Absences: 1. Dr. Appointment 2. Funeral Service 3. Illness 4. Court Appointment 5. Quarantine

Early Checkout

Students are not to make their own arrangements for early pick-up. Parents and guardians are asked to come into the main office to sign out a student leaving before the end of the school day. Office personnel will send for the student. Students returning to school will sign in at the main office before going to class.

Late Arrival

Students arriving late must sign in at the main office before attending class. The office will issue a pass to class after signing in. If it is an excused late arrival such as; a doctor/dentist appointment, please send a note with your student.

Attendance

State law requires all students to be in school daily unless out with a valid excuse. Disciplinary action will be taken for repeated absences. The law requires parents/guardians to see that students are in school.

Change of Address/Phone

It is important that we be able to communicate with parents and guardians quickly and accurately. Please notify the attendance office or the main office with any change in your contact information or address at 872-6465.

School Visitors

Parents, guardians, and community members are welcome to visit our school. Visitors check-in first at the main office to receive a Visitor's Pass. Office personnel will assist with parents/guardians seeking to meet with a student. *Teacher or room visitations can be arranged by directly contacting the teacher or by requesting an appointment through the main office.*

Closed Campus

Paradise Intermediate School is a closed campus. This means that once students arrive on campus they are required to remain on campus during the scheduled school day. Students may only leave with the proper release by the school administration.

Out of Class

To ensure student safety, **students will be provided a pass from their teacher before leaving class to the office or other location on campus.** *Students tardy or out of class without a pass may be considered a class cut.*

School Property

School property is owned by our community. Therefore, students are expected to take appropriate care of books and other school property they may use. Damage to books or other materials will be charged to the student in cases of abuse, loss, or intentional destruction.

Safety Drills

Safety Drills (Earthquake, Fire, Lock-Down) are important safety precautions administered at regular intervals as required by law. It is essential for everyone to promptly follow procedures as directed by the class teacher at the first safety bell. Cell phone use is prohibited during the school day including during a safety drill to avoid disruption of the school safety procedures.

Textbooks

Teachers will issue books to be used only by the assigned student. Students are responsible for their assigned textbook. There is no charge for these texts unless they are damaged beyond normal usage or lost. The cost of losing a book or rendering a book unusable is sixty dollars (**\$60**). Twenty dollars (**\$20**) will be charged for each book receiving excess wear and tear. *Ed Code Sec. 9502*. A student **must pay** for books that are lost or damaged or that indicate careless use or excessive wear such as soiled or water-damaged pages, broken binding spines, or dog-eared cover corners. *Promotion certificates and early schedule pick-ups will not be available to students owing fines.*

Health Office

Students are not to make their own arrangements for pick up for health or any other reason. Students are to go to the health aide's office for EMERGENCY first aid and personal health problems. Parents and or guardians will be contacted in the event a student becomes ill or injured. Should a student be unable to continue their studies, the school's Health Tech will contact parents or authorized persons to make arrangements for the student to be checked out. **Early check out can only be arranged between the parent/guardian and office staff.** Until such arrangements have been made, students must remain on campus.

Medications

Prescription and non-prescription medications require a "Physician's Authorization For Medication" form to be on file in the Health Office. *Without this form, the medication can not be administered.*

Student Insurance

At the beginning of the school year, application forms for student insurance are made available to you. This insurance can be purchased at a very reasonable cost. The transaction is between the parents and the insurance company. We encourage every parent to have accident insurance of his choice on each child. Insurance is required for extracurricular activities.

Counselor

Our counselor is an ADVOCATE for students and focuses on facilitating learning and encouraging students to take advantage of the opportunities provided at the school. At parent or teacher request, our school counselor will schedule a Student Study Team meeting with the parents and teachers to discuss ways to support a student's success. If you feel there is a problem which is interfering with your child's ability to learn, please let the counselor know. Some areas of concern might be: incomplete homework, class placement, divorce/family crisis, isolation/over-socialization, peer disputes. They will often work as mediators or facilitators (not disciplinarians) with students, parents, and administrators in discipline situations. If a student wishes to see a counselor, he/she can receive a pass from the class teacher to make a request at the front office or from the teachers.

FAMILY INVOLVEMENT

Parent Group

Family school involvement is essential for student success. We eagerly seek parents to participate in our school community by joining the PINT Parent Group and volunteering to support various events and activities held throughout the school year. Please contact our office if you are available to join our family of volunteers.

School-Family Communication

We invite families to contact the school to share ideas or concerns with administration and/or teaching staff. Paradise Intermediate will help support the school-family communication through various methods such as phone calls/notes home,

conferences, bi-monthly newsletters, postcards, school web-site, Connect-Ed phone invitations to events, planners, and daily cards to monitor student responsibility.

Parent Conferences

Parents may make appointments for conferences with teachers, counselors or the principal by telephoning the school office at 872-6465. **Meetings with all of a student's teachers may be arranged through the counseling department.**

School Site Council

The responsibility and authority for improvements in the process at Paradise Intermediate are shared throughout the school staff, students and School Site Council. Growth areas are identified and discussed, improvement strategies are developed and action plans are written. Staff and administration report to School Site Council on progress toward action plans. At the end of the school year, the School Site Council reviews the goals, objectives and action plans. The School Site Council recommends new action plans for the next year based on input from staff and administration. The school Site Council membership consists of parents, classified/certificated staff, students and community members. The Council typically meets on the first Monday of the month at 3:15 p.m., with open agendas, pre-posted for specific input. Shared decision-making is used in the improvement process.

REPORT CARDS

Report cards are issued and mailed 4 times a year about one week after each quarter ends. Mid-quarter progress reports for D/F grade(s) will be mailed. Please check the School Newsletter calendar for quarter and semester end dates.

Parents may more closely monitor student progress through an Aeries parent portal account. You can sign up at the registration arena or see our office staff for more information.

REMIEDIATING A FAILED GRADE

Students will be given several options for remediating failing grades throughout the year. Information will be provided to parents/guardians about failing grades and ways to remediate as soon as students begin missing assignments or achieving low test scores. Students who have any failing grades in the 8th grade year will not qualify for the promotion ceremony.

Built on the belief that students can help students succeed, the program trains mentors from your 8th grade class to be WEB Leaders. As positive role models, WEB Leaders are mentors and student leaders who guide the 6th/7th graders to discover what it takes to be successful during the transition to middle school and help facilitate 6th/7th grade success.
